**SUPPORT YOUR CHILD'S SCHOOL
BY SHOPPING AT BUSCH'S!**

Does your child's school fund raise?

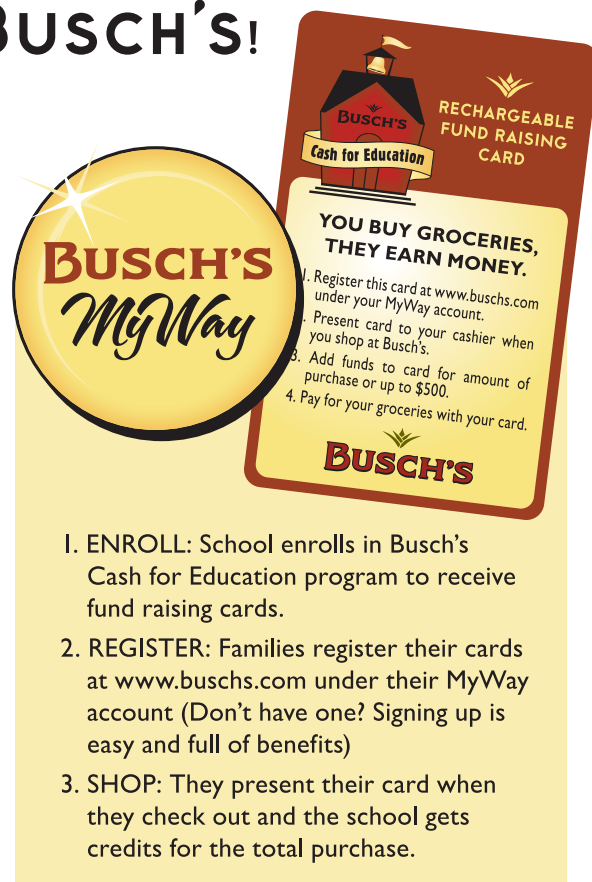

Use your Busch's Cash for Education fund raising card and start earning money for your child's school by doing something you already do: shop for groceries.

Register your card at www.buschs.com under your MyWay account. Then just take your card to Busch's when you shop. When you present it to the cashier, along with your method of payment, your child's school will get the credit for your total purchases.*

You will earn 5% on purchases paid by cash, check or debit card and 3% on purchases paid by credit card. If you spend \$100 per week at Busch's, you could earn up to \$260 a year towards your child's school!

*The card has no monetary value.
