FREQUENTLY ASKED QUESTIONS

Our Pharmacists are dedicated to your health, and are available to answer all your medication questions.

Q: Will the list of covered medications change?

A: Yes, the list of covered prescription medications may change. Please check with your pharmacist for updates in the plan or at www.buschs.com for an up to date list.

Q: I just picked up my prescription yesterday. Can I get the program price?

A: No, the prescription has already been picked up and paid for. However, you will be eligible to join the program and receive the special pricing on your next refill or new wellness prescription.

Q: My prescription was called in but I have not picked it up yet. Can I get the program price?

A: Yes, since the prescription has not been picked up and paid for, you are eligible for the program price if you chose to enroll.

Q: How long does it take to enroll?

A: To enroll, ask your pharmacist for a brochure. On the brochure, there is a quick form that gives us the information needed to enroll you and your family in the program for only \$5.

Q: When I picked up my prescription last month, you charged me more. Why?

A: We have been working with our suppliers to bring you new lower pricing on these select generics. These lower prices reflect a continued effort by Busch's to bring value to our patients.

Q: Why do I need to enroll and why does it cost?

A: In order to offer the program, there are certain administrative fees and costs that Busch's will incur. To offer more medications at a larger savings, we must charge a family enrollment fee. However, this one-time enrollment fee of \$5 is offset by the \$5 Busch's Gift Card you will receive upon sign up. Remember, there are many benefits to this program, so to take full advantage – enroll today!

Q: My doctor wrote my prescription for only a 30 day supply... what will I be charged?

A: If your medication is on the covered maintenance drug list, then you can receive a 30 day supply for \$4, up to the maximum quantity covered.

Q: How do I get the quantity increased on my prescriptions to receive the 90 day supply for only \$10?

A: Contact your physician to have them call, fax, or e-prescribe Busch's a new prescription written for the quantity covered on the 90 day generic list.

Q: Is there a minimum age requirement for enrollment?

A: Guests must be 18 years or older to enroll.

Q: How are the generic plan items chosen and will it change?

A: The items offered in the Live Well, Be Well generic drug program are medications that we have been able to gain better pricing on by working with suppliers. However, just like anything, our cost may fluctuate, and therefore the list will be updated often. Check back to see if your medication has been added. Prescription drugs will be deleted as needed by Busch's.

Q: If I have a coupon, can I use it?

A: No other offers or discounts are accepted with the Live Well, Be Well generic drug program.

Q: Can I use my Live Well, Be Well card along with my prescription coverage plan?

A: No, members choose to either purchase their prescription drugs through the Live Well, Be Well program OR pay the applicable cost-sharing amount under their insurance or other third-party payer program. No claims will be submitted to a third party payer for prescriptions processed using the Live Well, Be Well card.

Q: Does a prescription purchased through the Live Well, Be Well Rx program count towards my insurance deductible?

A: Guests should consult their prescription coverage plan to determine if their purchases using the Live Well, Be Well card count toward their total drug expenditure for calculating deductibles used to discount or waive any co-pay, coinsurance or deductible amounts at the pharmacy.

Q: How do I know if my prescription drug will be available on the list of covered prescriptions?

A: The list will be available at www.buschs.com under the Pharmacy link. The list will also be available in printed version at our Pharmacy. Or, you can call and ask our pharmacy staff who will be glad to assist you.

Q: Do I receive a 10% discount off prescriptions for my pet?

A: You will need to enroll in the plan and visit your veterinarian for a prescription. We will need the cardholder ID number when filling the prescription for your pet. You will receive 10% off our usual and customary retail price. *(Please note, the \$4 and \$10 generic drug pricing does not apply to pet prescriptions.)*

Q: What discounted prescriptions are available for pets?

A: Most veterinarians use a combination of human, veterinary-only, and compounded medications for your pet's medical condition. More than 600 drugs used to treat pets are human drugs and can be purchased at your local Busch's Pharmacy with a prescription from your veterinarian. Busch's Pharmacy DOES NOT stock or provide discounts on veterinary-only medications used for the treatment of fleas, ticks, heartworms or other medical conditions. Also, CII medications will be excluded under the animal prescription program.
