

***Busch's is donating up to \$200,000 annually to local schools and programs.
Don't miss out!***

Busch's *Cash for Education* was designed to help support and raise funds for our local schools and their programs. Participants can earn money for your school just by shopping!

Benefits:

- Your organization earns money every time one of your participants shops at any Busch's store.
 - See FAQ for further details
- This program is free to both organizations and their participants and requires no extra spending.
- Busch's will keep track of all the *Cash for Education* purchases that your organization receives along with the students participants are supporting.
- Your organization will receive quarterly checks to go towards your school's needs.

How to enroll your organization:

- Download an enrollment form from our website buschs.com or send an email to cashforeducation@buschs.com to request one.
- Once completed, send the form via fax, email or U.S. mail. See below for contact information.
- Once the enrollment form is received and approved, a Busch's Cash for Education program coordinator will contact you.

Not sure if your organization is already enrolled? [\(Click here\)](#) for a list of participating organizations.

Once your organization is enrolled, simply notify your members, families and friends to register through their Busch's MyWay account to begin earning for your school today!
